Kilcoy Chamber of Commerce

PO Box 77

KILCOY QLD 4515

President

Bronwyn Davies

Reference: Radio FM101.5 Signal

Dear Bronwyn,

I offer my support to the Kilcoy Chamber of Commerce in its effort to increase the signal reach of radio station FM 101.5.

An increased signal into Kilcoy region would provide a boost for local businesses and would become a valuable community asset.

I believe the station signal would also be a boost to the region in times of disaster management which would openly allow two way communications if such a disaster were to occur.

Thankyou for the effort the Chamber is undertaking to see this project come to fruition.

Sincerely
