WHAT TO GET YOUR LOVED ONES THIS CHRISTMAS

Christmas is just around the corner. Gift ideas for children's stockings, big kids stockings and family members can all be found at your local markets. Our stall holders work tirelessly to provide quality items for your enjoyment or to solve a gift problem.

The Markets will have on display many ideas for your gift search. Clothing, accessories, children's toys, jewellery, craft items and so much more. Plan your day well. A short drive from east or west to Kilcoy. Enjoy Breakfast and Yowie Coffee at our markets. Browse and buy til 12.30pm.

HOLIDAY DECOR

The markets were given a surprise in October with the Kilcoy State High School showing off their home made wares. Great Christmas gift ideas were available for the astute bargain hunter. We have craftsmen of Fruit Wines, wood turning, leather and lace. Specialist jewellery designs as regulars that provide inspiration for Christmas shopping for the whole family.

MAKE YOUR SHED PERFECT CHRISTMAS MORNING

The family man child is well catered for at the markets. Gear for hammering, fishing, timber work and vehicle parts are readily available. But you have to be quick. Other ideas include books for a relaxing read, cooking utensils and fun camouflage gear to get that body moving in the jungle.

CELEBRATE TO THE FULLEST THIS SEASON

Meet Derek from Springdell Fruit Wine. Located in Mount Kilcoy, on offer is a fruity range of wines, ports and liqueurs. Flavours delight from plum, peach, pineapple to coconut vanilla, ginger and hazelnut. Deliciousness to suit all pallets.
